The logo represents the boundaries of the County of Devon. The small black circles represent the Town of Witheridge and the Manor of Witheridge. Both are listed in the Domesday Book.

[Searchable copy of all Magazine Volumes](#)

The above PDF contains the merged contents of all of the following PDF files.

Not really suitable for reading, it's strength lies in the fact that it is fully searchable.

To search, click on the above link, the file is large and will be slow to load. Using your browsers search feature search the document. When your search criteria is found scroll up to find and note the document Volume and Number.

An example. I want to find if the word domesday is in any of the Witheridge Magazines:

1. The following is based on Firefox (browser) and Adobe Acrobat plug in for Firefox. Note: members username/password required
2. On the site witheridgefhs.com goto the "Members Only" section
3. Click to view the Consolidated Index
4. Scroll down and click on "Searchable copy of all Magazine Volumes" (large file will take some time to load)
5. Using the find function of Firefox search for domesday (there are several references)
6. When found scroll up to find and note the Volume and Number
7. Use your back button to return to the Consolidated Index
8. Open and read the Volumes and Numbers recorded.
